From April 2015, CTFs will be able to transfer to Junior Cash ISAs.
- You must notify the Society if the child ceases to be resident in the UK or if not so resident, ceases to perform duties as a Crown employee serving overseas or to be married to, or in a civil partnership with a person who performs such duties which allow the child to subscribe to a JISA. The JISA will continue to be exempt from UK tax but no further subscriptions can be made until the child meets the residency requirements again.
- A person with parental responsibility for any eligible child (or the child themselves if they are aged between 16 and 18) can apply to open a JISA and become the registered contact.
- The registered contact is the person who agrees with the Society the terms and conditions under which the account will operate, and give instructions to the Society for the management of the account. There can only be one registered contact at any time. The registered contact will be issued with any statements or correspondence relating to the JISA.
- Any person or body may make subscriptions to the account, they do not have to be related to the child nor resident in the UK. However, once a subscription is accepted it will be treated as a gift to the child and as such cannot be repaid to the subscriber or transferred should the subscriber change their mind.
- Where the Society becomes aware that the registered contact for an account no longer has parental responsibility for the child, no further instructions can be taken from this person and the Society would request that a new registered contact application be made.
- The JISA investments shall be in the beneficial ownership of the child.
- The account must not be a joint account or held on behalf of a person other than the investor.
- We will make sure that any person to whom we delegate any of our functions or responsibilities under the terms agreed with you is competent to carry out those functions and responsibilities.
- On instructions of the registered contact the JISA with all rights and obligations shall be transferred to another provider. The Junior Cash ISA can be transferred into another provider's Junior Cash ISA or a Stocks and Shares Junior ISA. Partial transfers can only go into another provider's Stocks and Shares Junior ISA. We will forward the funds to the new ISA provider within 5 business days of receiving your instruction from them.
- On receipt of a transfer instruction from you we will forward it to the old Junior ISA manager, together with a confirmation that we will accept the transfer, within 5 business days of the date of receipt, and on receipt of the funds and accompanying information from the old ISA manager, we will credit the funds to the Junior Cash ISA account within 3 business days of the date of receipt. Internal CTFs can also be transferred to this Junior ISA. Existing CTFs must be transferred in full and closed following any transfer. Transfers of CTFs held with other providers are not permitted.
- We will notify the registered contact if, by reason of any failure to satisfy the provisions of the JISA regulations, a JISA has, or will, become void.
- If you are found to have breached the ISA rules governing subscription limits or the number of Junior Cash ISAs which may be opened in any one year, or your application is incorrect, the Junior Cash ISA will cease to be exempt from tax and any interest earned in that year will be subject to tax.
- When the child reaches 16 they can apply for an 'adult' Cash ISA which they can subscribe to in addition to any subscriptions made to their JISA(s). Holding both a cash JISA and an 'adult' cash ISA. Subscription amounts are subject to ISA rules governing subscription limits.
